

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on attaining complete customer satisfaction when their customer is enjoying one of their many trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a fruitful heritage combined with solid manufacturing principals, Nissan Forklifts supply a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to keep up with worldwide forklift demands. Committed to offering consumer support, the business has four independent manufacturing facilities that permit them to constantly adapt to their consumers continually evolving wishes by providing an assortment of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fabrication, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and procedures that minimize their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their customers demand while being an environmentally aware organization.

Nissan is fairly convinced that any of their clients queries and customer considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed dealers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
