

## Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They like providing items that energize both their dealers and their partners and offer production gains to their customers.

The TREK team of staff likes new tasks and new challenges. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills together with their understanding of cleaning applications, along with owners' strong desire to dramatically lower expense through productivity gains.

When required, the workers within TREK and its numerous dealer members in both parts and in technical support will be obtainable. One of their core values is their high service commitment in their customer service. Keeping their customers' cleaning machines ready and working day by day is top priority. The company's top of the line technology delivers dependable equipment which ultimately lessens your cost of cleaning. The service, the product and the price all work as one to make them the leader in the business.
