

American Lincoln Parts

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the industry they are recognized within the industry as providing strong and durable machinery which satisfies all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could supply parts, warranty service and equipment for these types of scrubbers that have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where efficiency and results count. Lately, this floor scrubber model has been requested by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location due to the model's supreme performance level and high standard of quality for polishing concrete.
